

PLAGIARISM POLICY

- **UGC Guidelines shall be followed for checking the plagiarism in the article**
- Every paper should accompany a similarity index report in Turnitin plagiarism check software. The similarity percentage should not exceed 10% percent.
- Plagiarism check shall exclude the following:
 - All quoted work with the necessary permission/attribution.
 - References, Bibliography, table of content, preface and acknowledgments.
 - The generic terms, laws, standard symbols and equations
- For copyright purposes, papers should not have been already published or in the press or accepted in any other forth-coming publications.
- The sender of the paper is the person responsible for any copyright violations, in case author and sender are different. Otherwise the corresponding author is responsible for the copyright violations.
- The Publishers and Editors are not responsible for any wrong info (if accepted) and for any violation to the Copyright of any submitted item.
